BUSSING UPDATE

August 20, 2021

Dear Families of Yellow Bus Riders,

We have been working to arrange a transportation solution while Canton City Transportation continues to work through some challenges. As you know, they have committed to providing transportation to our scholars beginning the week of September 7, the day after Labor Day. We recognize that this is not ideal, so we have been working tirelessly to provide a temporary form of transportation while we wait for Canton City to finalize their routes.

We have been able to set up an alternative form of transportation that will begin on **Monday, August 23rd**. We ask that you continue to transport your child to and from school each day, if possible. Seating on our alternative busses will be limited, so they should be reserved for families that truly do not have any means of transportation. If the alternative bussing plan doesn't work for you, please contact the school. You will find the temporary transportation plan below and on the back of this letter.

The Plan:

We have acquired charter shuttle transportation through a local vendor that will pick our scholars up and drop them off at community bus stop locations throughout the city. Principal Lindsay and one of our deans will physically ride the bus with our scholars to ensure their safety. Anyone that is at each stop at the designated time in the morning will be transported to school. **Please note: scholars will only be able to take the bus home after school IF they ride the bus to school in the morning.** Scholars in grades K-2 must have a parent present when they are dropped off, or they will be returned to the school after all drop offs are complete in the afternoon. Please see the bus stop information below and on the back of this page.

BUS #1	Location	AM Pickup Time	PM Drop-off Time	Closest CCSD building
Red Route	Harmont Park Entrance Harmont Ave. NE & Fairmount Blvd. NE	7:55 am	4:22 pm	AIM Academy @ Summit
