Summer 2023

Canton College Prep Families,

Please note the slight adjustments to our daily schedule below and the traffic patterns/expectations that we have in place:

Doors open	7:45 am
Breakfast served	7:45-8:10 am
Tardy bell	8:10 am
Dismissal	3:30 pm

Scholars should be dropped off at **7:45 am** at the front sliding doors. Due to the number of scholars being dropped off, we are asking that you pull forward as quickly and safely as possible to open up the space for the next parent in line. If you need to park for any reason, please use the parking meters on 2nd Street NW.

Please plan to pick your scholars up in the afternoon at the corner of Dewalt Ave. & Tuscarawas so we do not block the flow of traffic on Cleveland Ave. Principal Lindsay will meet you as you pull down Dewalt Ave. so your scholar can be identified and safely escorted to your vehicle. Dismissal begins at **3:30 pm** on Monday through Friday.

For bus riders with transportation changes: The front doors close at 3:15 pm. If you are picking your scholar(s) up from school, we are requesting that you call the main office with transportation changes before 2:30 pm. If you have not called the school to let us know that you will be picking your child up early, they will not be dismissed until 3:30 pm.

If you have any questions regarding your scholar's bussing, please call Canton City Transportation at (330) 456-6710.

Yours in education,

Darryl Lindsay
Principal
